TO WHOMSOEVER IT MAY CONCERN

This is to confirm that M/s. Prithvi Technologies Pvt Ltd have been associated with us for supply of various types of electrical power and control panels for assorted applications including energy saving in lighting etc. since the past about 10 years.

They have maintained a very cordial professional relationship with us.

We are extremely satisfied with their pre and post order technical support particularly related to our various major projects at CIDCO, MAHAGENCO and some Municipal Corporations in the country.

We wish them all the very best in all future endeavors.

This certificate is being issued at their specific request.

For **Bajaj Electricals Ltd.**

ALOK DUBE
Vice President (Projects)
